COMPANY PROFILE

GUANGZHOU COCOME COSMETICS CO., LTD

A direct manufacturing plant under CCO was established in 2004. Now the company has integrated design, R&D production, sales, OEM, ODM services. And gradually transformed into the leader of the nail gel industry. Core competitiveness of CCO. Including factory, equipment, technology, R&D department, capacity, service, customer and marketing.

Our strengths

- ✓ Professional manufacturer of gel polish for 20 years
- ✓ 8500+ brands customized
- ✓ Quick response for creating your own gel polish line
- ✓ 20+ people engineering team for R&D

JUST FOR BETTER NAIL GEL

AUTHORITATIVE CERTIFICATION

CCO built a 10,750+ square meters 7s internationalized standard nail gel manufacturing plant and warehouse which passes SGS, GMPC, CPNP, FDA, ISO22716, MSDS, GPSR and other necessary certifications.

ADVANCED EQUIPMENT

CCO factory is equipped with advanced modern technical equipment, advanced equipment supports large capacity. Our annual production capacity reaches 1200 tons and 80 million bottles.

CERTIFICATES

We take pride in the certifications that underscore the quality and safety of our nail gel products.

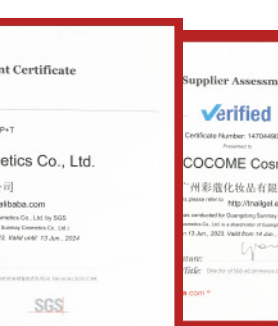

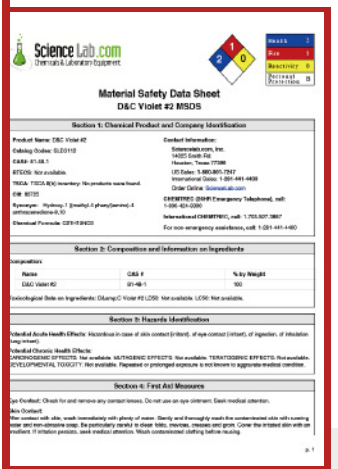

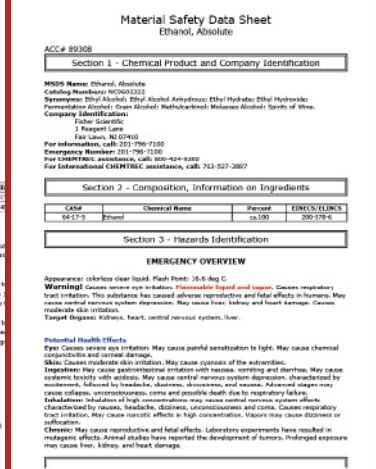

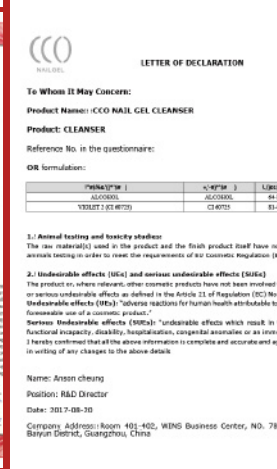

Our manufacturing facility adheres to the ISO22716 standard Certificate, which guarantees the highest level of Good Manufacturing Practices (GMP) for cosmetics.

Additionally, our compliance with the Cosmetic Product Notification Portal (CPNP) ensures that our products are registered and meet all regulatory requirements.

Further more, our collaboration with renowned testing and certification agency SGS ensures that our nail gels undergo rigorous testing for quality, safety, and efficacy.

These certifications serve as a testament to our commitment to delivering exceptional products that you can trust and enjoy with peace of mind.
